

Welcome to Hashimoto City

We encourage you to join your local neighborhood association.

In a neighborhood association, the residents of the same area get together for various activities to make their own town more livable.

How to join a neighborhood association?

Please make a contact with Hashimoto City Chiiki Shinkoshitsu Section, or the president of neighborhood association in your local area. Joining is voluntary.

Activities in a neighborhood association

1. Information

You will receive information about the area where you live.

2. Disaster prevention

The neighborhood association regularly holds disaster drills. In time of disaster, the residents help one another through the neighborhood association.

3. Making connections

You can enjoy interacting with your neighbors at various events.

4. Crime prevention

Patrols and other activities are carried out to ensure the safety in the local area.

5. Mutual support

In a community, they help care for children and elderly.

6. Cleanliness

The community works together to keep the local area clean.
